

Our Help Is Needed!!!

St. Bernard School has recently been contacted by the Enfield Food Shelf in regards to their depleted food stores. The Enfield Food Shelf is grateful for all donations received; however it seems as though donations are in abundance only around the holidays.

As a school, we have decided to help our community by delivering food at the end of each month to try to help out families less fortunate than our own. Donations are welcome throughout the school year. The monthly schedule for each class will ensure that we have enough food to donate.

We would like to thank all families in advance for your cooperation and donations. A little goes a long way.
